Homework House

# Thank YOU for helping make 2017-18 another great year!

With **YOUR** help, we are providing at-risk Azusa families the tools they need to thrive academically and socially.

Take Francisco and Vanessa, for example. Thanks to a strong partnership with their parents in NHH, both Francisco and Vanessa graduated from high school in May. These first generation students will both start college in the fall!

"NHH has helped me grow and has motivated me to be a better leader," Vanessa says. "Because of NHH's hard working staff, many lives are impacted -- including mine!"

We raise our operational budget each year through the support of individuals like YOU. Rest assured, our staff works tirelessly to stretch your dollars as far as they can go. We can't do it without **YOUR** support and the efforts of our volunteers. Thank **YOU** for doing your part to rewrite the future of students like Francisco and Vanessa.

Gratefully,

Jennifer Hicks, Executive Director
