Neighborhood Homework House

WHAT WE DO

Rooted in Azusa. Invested in our students.

Every afternoon in Azusa, students walk out of class carrying homework they cannot finish alone. Some are the first in their family headed to college. Some are managing a schedule, a job, and a younger sibling at the same time.

For thirty years, their neighbors have made sure they had somewhere to go. That place is Our Neighborhood Homework House.

What began as a commitment to supporting local students has grown into a community-centered organization providing academic support, enrichment opportunities, family engagement, and meaningful connections for Azusa students and families. We believe every student deserves access to the support, encouragement, and opportunities they need to reach their full potential. And we know that when families, schools, organizations, and community members work together, students are stronger and our entire community benefits.

Last year, 81 students and their families engaged with the programs of NHH. 8,464 program contact hours of tutoring, academic enrichment activities, and family fun. All led by community-minded mentors offering both academic and emotional support all year.
Every senior graduated.

Your partnership is what makes the next generation of scholars possible.

30 YEARS IN AZUSA

In 2027, Neighborhood Homework House turns 30. Thirty years of Azusa families trusting us with their children. Thirty years of neighbors, businesses, churches, and schools deciding this work was worth funding.
This is the year to add your impact for these students.

WHY WE DO IT

When Azusa students thrive, Azusa thrives.

Your investment does three things at once. It puts a tutor next to a student who is struggling. It gives a working parent a trusted place for their child in the afternoons. And it puts your name in front of the Azusa families, schools, and businesses who notice who shows up for this community.

> I have been a part of NHH since the 1st grade. Over the course of my time here, I participated in several leadership opportunities that NHH offers - including serving on junior staff as well as the 5th grade transition project as a teen leader. As a recipient of the Neighborhood Homework House Scholarship, I was able to take advantage of opportunities that otherwise would have been difficult to afford. More importantly, it gave me confidence that others believed in my potential during a time when I often questioned it myself. My goals continue to be centered on becoming a trauma surgeon.

> I have been part of Homework House since 2015, participating in the high school program, junior staff and also volunteering for NHH's youngest students. As the first person in my family to attend college, I am determined to finish what I started and continue to make my family proud. Through my studies and experiences I have learned how important caring adults are in children's development and I hope to make that positive impact in the lives of children I serve.

When you partner with NHH, you are funding time with a student, hour by hour. These hours are what change a student's trajectory.

Giving Day. *A community-wide day of generosity that funds tutoring, supplies, and family resources for the school year ahead.*

30th Anniversary Gala. *An evening bringing together the community members, business leaders, and families who built NHH, with a look at the next thirty years.*

End Of Year Celebration. *Our end-of-year celebration, where students present what they have accomplished to the families, volunteers, and partners who made it possible.*

NEW FOR 2026 - YOUR OWN NHH PARTNER WEBPAGE

Annual partners and top-tier supporters receive a dedicated page on the NHH website: your logo, your story, a link to your site, and the impact your support made possible. Your page stays live for twelve months from the date it is posted.

End of Year Celebration

Celebrate how far they have come.

DUE BY 5/7/27

Every May, our students stand in front of their families and show what they built during the year. Students proudly showing off their improved writing. Our seniors announcing where they are headed.

It is the most family-friendly event we host, and the one they remember. Your sponsorship makes it possible.

Neighborhood Homework House is a 501(c)(3) nonprofit organization. EIN 95-4713600.
Sponsorships that include gala seating are partly a contribution and partly a payment for goods and services. The tax-deductible portion of a gala sponsorship is the amount paid less the total fair market value of the seats received. Sponsorships for Giving Day and the End Of Year Celebration include recognition benefits only. Please consult your tax advisor regarding deductibility.
